INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF "AYEYARWADY BANK PUBLIC COMPANY LIMITED"

Report on the Audit of the Financial Statements

Audit opinion

We have audited the financial statements of "Ayeyarwady Bank Public Company Limited" (the "Bank"), which comprise the statement of financial position as at 31 March 2025 of the Bank, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows of the Bank for the year then ended, and notes to the financial statements, including a summary of material accounting policy information, as set out on pages 7 to 56.

In our opinion, the accompanying financial statements of the Bank are properly drawn up in accordance with the provisions of the Myanmar Companies Law 2017 (the "Law") and International Financial Reporting Standards ("IFRS") as modified by Central Bank of Myanmar-CBM Regulations, so as to give a true and fair view of the financial position of the Bank as at 31 March 2025 and of the financial performance, changes in equity and cash flows of the Bank for the year ended on that date, except for the potential impact of the matters described in the management letter.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing ("ISAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank together with the ethical requirements that are relevant to our audit of the financial statements in Myanmar, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the annual Report of the Directors.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Myanmar Companies Law Section - 261 & 262 and IFRS, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF "AYEYARWADY BANK PUBLIC COMPANY LIMITED" (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matter

The financial statements of the Ayeyarwady Bank Public Company Limited for the financial year ended 31 March 2024 were audited by another audit firm of Certified Public Accountant in accordance with provisions of Myanmar Companies Law and International Financial Reporting Standards and the audited report dated 20 August 2024 expressed an unqualified opinion on those statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF "AYEYARWADY BANK PUBLIC COMPANY LIMITED" (continued)

Report on Other Legal and Regulatory Requirements

In accordance with Myanmar Companies Law (2017) Section – 280 and Financial Institution Law of Myanmar the Section 89 (a) and 90 (a), we also report that:

- (i) we have obtained all information and explanations, we have required to perform the routine, procedures, analytical and verification audit for our forming of audit opinion.
- (ii) the books of account have been maintained by the Bank as required by Myanmar Companies Law Section 257 and 258.

In our opinion, the accounting and other records required by the Law to be kept by the Bank have been properly kept in accordance with the provisions of the Law.
